IMPORTANT NOTICES

TRAINING FEES CLARIFICATION

The hall hire has increased by 50% over the last five years so it is important that fees are paid on time to allow us to keep your fee increases to a minimum and for the club to remain open.

Fees must be paid at the **first class of each month**.

One class is equal to one hour.

If training two hours per week, either on one day, or over two days (8 classes/month) the fee is £33.00.

If training one hour per week (4 classes/month) the fee is £22.00.

Students paying £33.00 can attend any additional classes free.

Unfortunately we will not be deducting any fees due to any holidays being taken. Pupils can make their time up at extra training sessions.

Mr Freer has arranged for people who train twice a week to be able to train at any of Mr James Freer sessions for free. Speak to Mr Freer for further information.
